SK CERTIFICATE
of conformity of the factory production control

SK04 – ZSV – 2616

In compliance with the Act No. 133/2013 Coll. on Construction Products and on Amendments to Certain Laws as amended by Act No. 91/2016 Coll., this certificate applies to the construction product

Additive for hydraulic binders for the production of mixtures into the underlying layers
PERENIUM FL

used to improve the mechanical properties of the underlying layer with a hydraulic binder for use in the upper and lower underlying layer and on the modified underlay layer for the roadway as well as for the underlay layer of the concrete floors in the industrial buildings.

placed on the market under the name of

Adinotec GmbH
IdNo: FN 476369v
Salztorgasse 5/5/17, 1010 Wien
Austria

and produced in the manufacturing plant

Baustofftechnik GmbH
IdNo: FN 74796w
Strasse der Gendarmerie 11, 2700 Wiener Neustadt
Austria

This certificate attests that all provisions concerning the assessment and verification of constancy of performance of the essential characteristics of the construction product declared by the manufacturer and parameters referred in SK Technical Assessment

SK TP – 18/0083

under system II+ of assessment of performance are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 10. September 2018 and will remain valid as long as will remain valid SK Technical Assessment, the construction product, the methods of assessment of performance, nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the authorized factory production control certification body.

Bratislava 10. September 2018
